ABOUT MEASURE A

In 2016, Long Beach voters recognized a pressing need to maintain and enhance public safety services and invest in City infrastructure. Thanks to the passage of Measure A, Fire Engine 8, Rescue 12, South Patrol Division, and Police Academy operations have been restored, enhancing public safety citywide. The City is also making a historic investment in revitalizing heavily utilized public spaces such as streets, libraries, community centers, and parks with an emphasis on improving infrastructure quality, energy efficiency, and ADA accessibility.

See a map of the infrastructure investment plan, on the next page.

Postal Customer

Anticipated to raise \$384 million for the City of Long Beach over ten years, Measure A is collected as a one percent sales tax for the first six years, and then reduces to half a percent in the four years before it sunsets.

Over the life
of Measure A,
108 public safety
positions are
expected to be
kept in service

Restoring Engine 8
to Belmont Shore
provides more rapid
response to critical
incidents in the region

Police South Patrol Division
has been restored to the same
operational level as the other three
Patrol Divisions in the City, adding
a Crime Analyst to identify crime
trends and patterns and a Directed
Enforcement Team to focus
attention at problem locations

The restoration of Paramedic
Rescue 12 has resulted in
increased emergency
response capabilities, which
have reduced call times in
North Long Beach and Citywide,
by relieving stress on our critical
public safety systems

37 New Public
Safety Personnel
Positions Added

Full time Police Academy
staffing to maximize
resources and eliminate the
need to dedicate
patrol officers to perform
teaching and training
responsibilities
